

Aur Mohabbat Kitni Karoon Lyrics

SONG CREDITS

Album: Metro... In Dino

Singer: Arijit Singh

Lyricist: Sandeep Srivastava

Label: T-Series

Released: June 20, 2025

LYRICS

Ehsaas Ho Ya Na Ho
Izhaar Ho Ya Na Ho
Tere Bin Main Reh Na Paata Hoon
Ye Tujhse Keh Na Paata Hoon

Main Aur Mohabbat Kitni Karoon
Itni Toh Mohabbat Karta Hoon
Main Aur Mohabbat Kitni Karoon
Itni Toh Mohabbat Karta Hoon

Meri Saans Tujhse Hai
Meri Jaan Tujhse Hai
Tu Na Ho To Dar Sa Jaata Hoon
Jeete-Jee Main Mar Sa Jaata Hoon

Main Aur Mohabbat Kitni Karoon
Itni To Mohabbat Karta Hoon
Main Aur Mohabbat Kitni Karoon
Itni To Mohabbat Karta Hoon

Ei Raati Nupuai
Kyo Jonaaku Naai
Ei Raati Nupuai

Main Bas Itni Fariyaad Karun Ki
Aankhen Na Namm Ho Meri Teri Yaadon Mein
Na Hi Tu Judaa Ho Kabhi Sooni Raaton Mein

Phir Bhi Uthkar Jaana Tera Aur Na Aana Tera
Dhokhe Ke Hain Naye Salike
Tabhi Kahoon Main Ki

Ikraar Ho Ya No
Takraar Tujhse Na Ho
Tu Meri Yaar Ho Ya Na Ho
Bas Gair Mujhse Na Ho
Main Kal Bhi Tujhse Tha Raazi
Main Aaj Bhi Haami Bharta Hoon

Main Aur Mohabbat Kitni Karoon
Itni To Mohabbat Karta Hoon
Main Aur Mohabbat Kitni Karoon
Itni To Mohabbat Karta Hoon

Ei Raati Nupuai
Kyo Jonaaku Naai
Ei Raati Nupuai
Kyo Jonaaku Naai

ENGLISH TRANSLATION

Ehsaas Ho Ya Na Ho

Whether there is a feeling or not

Izhaar Ho Ya Na Ho

Whether there is expression or not

Tere Bin Main Reh Na Paata Hoon

Without you, I cannot live at all

Ye Tujhse Keh Na Paata Hoon

Yet I cannot bring myself to tell you this

Main Aur Mohabbat Kitni Karoon

How much more love can I give?

Itni Toh Mohabbat Karta Hoon

This much love I truly live

Main Aur Mohabbat Kitni Karoon

How much more love can I give?

Itni Toh Mohabbat Karta Hoon

This much love I truly live

Meri Saans Tujhse Hai

My every breath belongs to you

Meri Jaan Tujhse Hai

My very life belongs to you

Tu Na Ho To Dar Sa Jaata Hoon

If you are not there, I feel lost in fear

Jeete-Jee Main Mar Sa Jaata Hoon

Alive, yet it feels like death is near

Main Aur Mohabbat Kitni Karoon

How much more love can I give?

Itni To Mohabbat Karta Hoon

This much love I truly live

Main Aur Mohabbat Kitni Karoon

How much more love can I give?

Itni To Mohabbat Karta Hoon

This much love I truly live

Ei Raati Nupuai

Oh restless night

Kyo Jonaaku Naai

Why does the firefly not shine?

Ei Raati Nupuai

Oh restless night

Main Bas Itni Fariyaad Karun Ki

All I pray for is this plea

Aankhen Na Namm Ho Meri Teri Yaadon Mein

That my eyes don't wet with memories of you

Na Hi Tu Judaa Ho Kabhi Sooni Raaton Mein

Nor you be distant in these lonely nights

Phir Bhi Uthkar Jaana Tera Aur Na Aana Tera

Yet you rise and leave, never to return to me

Dhokhe Ke Hain Naye Salike

Betrayal comes in new forms, endlessly

Tabhi Kahoon Main Ki

That's why I say

Ikraar Ho Ya No

Whether there is acceptance or not

Takraar Tujhse Na Ho

May there be no clash between us

Tu Meri Yaar Ho Ya Na Ho

Whether you are my love or not

Bas Gair Mujhse Na Ho

Just don't be a stranger to me

Main Kal Bhi Tujhse Tha Raazi

Yesterday too, I was willing for you

Main Aaj Bhi Haami Bharta Hoon

Today as well, I agree anew

Main Aur Mohabbat Kitni Karoon

How much more love can I give?

Itni To Mohabbat Karta Hoon

This much love I truly live

Main Aur Mohabbat Kitni Karoon

How much more love can I give?

Itni To Mohabbat Karta Hoon

This much love I truly live

Ei Raati Nupuai

Oh restless night

Kyo Jonaaku Naai

Why does the firefly not shine?

Ei Raati Nupuai

Oh restless night

Kyo Jonaaku Naai

Why does the firefly not shine?
