LYRICS

[Verse 1]

Dil ka kya... haan, mere dil ka kya
Dil ka kya, dil tera dil hai to
Mera dil bhi dil hi hai na

[Verse 2]

Ab pichhle hi pal dekha tujhe, tu yahi tha
Agle hi pal dekha mudke, nahin tha

[Pre-Chorus]

Hai paake bhi kyun na paaya tujhko, bata na mujhko
Kaise tujh par marna hai yeh dikha de
Ya tu aa ja, tere bina jeena hi sikha de

Hai paake bhi kyun na paaya tujhko, bata na mujhko

[Chorus]

Oh dil ka kya... haan, mere dil ka kya
Dil ka kya, dil tera dil hai to
Mera dil bhi dil hi hai na

[Bridge]

Haan haara-haara, toota-toota
Khud hi khud se, jhootha-jhootha
Dil hi dil se toota-toota

Kahani meri khatam hai aise hi hai tune jaana

[Outro]

Haan mere dil ka kya, dil tera dil hai to

Mera dil bhi dil hi hai na

ENGLISH TRANSLATION

Dil ka kya... haan, mere dil ka kya

What of the heart... yes, what about my heart

Dil ka kya, dil tera dil hai to

If your heart is a heart

Mera dil bhi dil hi hai na

Then my heart is one too, isn't it?

Ab pichhle hi pal dekha tujhe, tu yahi tha

Just a moment ago, I saw you standing here

Agle hi pal dekha mudke, nahin tha

The very next moment, I turned—and you were gone

Hai paake bhi kyun na paaya tujhko, bata na mujhko

Why, even after having you, did I never truly have you—tell me

Kaise tujh par marna hai yeh dikha de

Show me how to fall for you completely

Ya tu aa ja, tere bina jeena hi sikha de

Or come back, and teach me how to live without you

Hai paake bhi kyun na paaya tujhko, bata na mujhko

Why, even after having you, did I never truly have you—tell me

Oh dil ka kya... haan, mere dil ka kya

Oh, what of the heart... yes, what about my heart

Dil ka kya, dil tera dil hai to

If your heart is a heart

Mera dil bhi dil hi hai na

Then my heart is one too, isn't it?

Haan haara-haara, toota-toota

Yes, defeated and broken

Khud hi khud se, jhootha-jhootha

Lying to myself again and again

Dil hi dil se toota-toota

A heart broken by another heart

Kahani meri khatam hai aise hi hai tune jaana

My story ends just like that—and that's all you ever knew

Haan mere dil ka kya, dil tera dil hai to

Yes, what about my heart—if your heart is a heart

Mera dil bhi dil hi hai na

Then my heart is one too, isn't it?
