LYRICS

Tumhare shehar ka mausam bada suhaana lage
Main ek shaam chura loon agar bura na lage
Tumhare bas mein agar ho to bhool jaao humein
Tumhe bhulaane mein shayad mujhe zamaana lage

Zamaana lage, zamaana lage
Tumhe bhulaane mein mujhe zamaana lage

Maana meri hi khata hai iss dafa
Kal hum pe jo fida tha ab khafa
Yoon hi na berukhi rakh, yoon hi na dukhi
Dard seene mein uth raha hai baar-baar

Tu is tarah se mere saath bewafai kar
Tu is tarah se mere saath bewafai kar
Ki tere baad mujhe koi bewafa na lage

Zamaana lage, zamaana lage
Tumhe bhulaane mein mujhe zamaana lage
Zamaana lage, zamaana lage
Tumhe bhulaane mein mujhe zamaana lage

ENGLISH TRANSLATION

Tumhare shehar ka mausam bada suhaana lage

The weather in your city feels truly delightful

Main ek shaam chura loon agar bura na lage

I wish to steal an evening, if you wouldn't mind

Tumhare bas mein agar ho to bhool jaao humein

If it's in your power, then forget me

Tumhe bhulaane mein shayad mujhe zamaana lage

But it might take me an eternity to forget you

Zamaana lage, zamaana lage

It may take ages, it may take ages

Tumhe bhulaane mein mujhe zamaana lage

To forget you, it may take me forever

Maana meri hi khata hai iss dafa

I admit, this time it's my mistake

Kal hum pe jo fida tha ab khafa

The one who adored me yesterday is now upset

Yoon hi na berukhi rakh, yoon hi na dukhi

Don't stay indifferent like this, don't be so hurt

Dard seene mein uth raha hai baar-baar

This pain keeps rising in my chest again and again

Tu is tarah se mere saath bewafai kar

If you must betray me, then do it in such a way

Tu is tarah se mere saath bewafai kar

If you must betray me, then do it in such a way

Ki tere baad mujhe koi bewafa na lage

That after you, no other betrayal would ever feel the same

Zamaana lage, zamaana lage

It may take ages, it may take ages

Tumhe bhulaane mein mujhe zamaana lage

To forget you, it may take me forever

Zamaana lage, zamaana lage

It may take ages, it may take ages

Tumhe bhulaane mein mujhe zamaana lage

To forget you, it may take me forever
